PCOS ON THE WEB

- Infertilitypa.com Women's Clinic, Ltd. web site
- Pcostrategies.org Great lay group site related to the book, Healing Syndrome O
- Pcosupport.org This is an excellent site for our patients to learn more about PCOS. It contains some great links, PCOS information, current national research and bulletin boards. The Center for PCOS was a university based founding member of the Philadelphia Chapter. Look for us on the Physician Members list!
- Soulcysters.com A good quality site with a lot of information and links. Started by former CNN reporter Kat Carney.
- Projectpcos.org Another excellent site for our patients to learn more about PCOS. Also contains some great links, PCOS information, current national research and bulletin boards.
- Pcosnutrition.com A high quality site by Angela Grassi, a regional nutritional expert in PCOS.
- Pcos.net Average quality site with some useable information
- www2.niddk.nih.gov Web site for the National Institute of Diabetes and Digestive and Kidney Diseases includes information on nutrition and weight control
- www.glycemicindex.com Website of the Glycemic Index and GI Database created by the University of Sydney, Australia
- mayoclinic.com/health/diabetes/an00754 The Mayo Clinic website includes a section on the use of the Glycemic Index diet in diabetics
- www.omegaquant.com/ Information on dietary sources of Omega-3 Fatty Acids

Disclaimer: The web sites, books, nutritionists and all other resources and information are offered to our patients as an informational guide and not specifically endorsed by Women's Clinic, Ltd.

BOOKS AND PROGRAMS ON DIET AND NUTRITION

South Beach Diet - This program and its publications has been successful for many of our patients who follow it strictly or use it as a guide to modify their diet.

The New Glucose Revolution by Jennie Brand-Miller - A good introduction to the glycemic index, a unique approach to evaluating the different effect different carbs have on blood sugar and insulin resistance.

The New Glucose Revolution Guide to Living Well with P.C.O.S. by Jennie Brand-Miller

The Dietician's Guide to Polycystic Ovarian Syndrome by Angela Grassi, M.S., R.D., L.D.N.

Sugarbusters - This program and its publications has been successful for many of our patients who follow it strictly or use it as a guide to modify their diet.

The Insulin Resistance Diet by Cheryl R. Hart, M.D. and Mary Kay Grossman, R.D.

The PCOS Diet Book: How You Can Use the Nutritional Approach to Deal with PCOS by Colette Harris and Theresa Francis Cheung

www.healthygrocerylist.com - Healthy Grocery List – You pick the meals, we'll make your grocery list!

www.caloriecontrol.org - informational website for cutting calories and fat to achieve and maintain a healthy weight with a great exercise calculator

<http://www.diabetes.org/food-nutrition-lifestyle/nutrition/my-food-advisor.jsp> - My Food Advisor allows patients to count carbs & calories and keep track of what is eaten

<http://www.cdc.gov/nccdphp/dnpa/obesity/index.htm> - discusses the trends and consequences of obesity

<http://mypyramid.gov/> - United States Department of Agriculture food pyramid
